WHAT NOT TO BRING

- Due to space limitations in our dorm residence rooms, computer monitors/TVs must not exceed a maximum screen size of 40 inches.
- Microwaves, toasters, toaster ovens, hot pots, popcorn poppers, or electric grill/griddles, or any other appliance (except mini fridge and small electric kettle). Our concern is the fire hazard.
- Please leave any media (music/DVDs, etc.) that may be unwholesome at home.
- Vapes, marijuana, tobacco.
- Weapons, firearms or any look-alike weapons
- Be aware that there is no bike storage allowed inside of the dorms. If you have an expensive bike that you do not want to store outdoors in a bike rack, it would be better for you to leave it at home.
- Pets are not allowed in residence rooms.
- Car tires can not be stored in dorm residence. (fire hazard)
- Be aware that this will be your home, but that this new home has limited space available. Please avoid over-packing!
