

WELCOME TO WINTER 2021!

New semester model

This semester is divided into two sessions, each with two courses.

Tutorial-based classes

Classes are delivered through video lectures and face to face tutorial sessions where you can interact with your prof and ask questions.

Course selection info

**Some courses have online options; these are indicated with an asterisk.*

Upper level (300 and 400) courses are not open to new students as they require prerequisites.

Read on to see what's being offered this session!
